ABOUT HANSEN360

Hansen360 is a hands-on business operations advisory company with over 25 years of experience in Customer Communications Management (CCM), helping print service providers and businesses achieve digital transformation and operational excellence. Our team specializes in omni-channel communications, offering custom solutions that span across print, SMS, email, and social media, ensuring your business stands out. Whether you're in the CCM industry or seeking B2B communications expertise, we understand the entire vetting and implementation process to drive impactful results.

ABOUT SOLIMAR SYSTEMS, INC.

Solimar Systems is a leading workflow software provider for organizations worldwide, specializing in production print and digital communications. Incorporated in 1991, Solimar has a strong foundation in enterprise print management, PDF security and industrial optimization, JDF job ticketing, piece level tracking, and visibility dashboards, enabling factory efficiencies.

The Solimar Chemistry™ platform caters to various industries, including print service providers, in-plant factories, transactional and direct mail printers, commercial and industrial printers, and emerging sectors like labels, textiles, and wide format. Solimar solutions seamlessly integrate across software and hardware environments, enabling time and cost savings for our global customers. Explore our published case studies and video testimonials on ROI; many are long-time Solimar Customer Advisory Council members.
